DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This large frame house appears to have been altered extensively and is two and one half stories high with a tall hip roof. There is a chimney on each side of this basically symmetrical house. On the four bay front are two gables, one over each end bay. Between these two gables is a hip roofed dormer with a double window. There is a one story screened porch on the front of the house supported by rectangular columns. On the east end of the house is a polygonal bay window under a gable. This house has been altered by the addition of asphalt siding and asphalt roof shingles.
